

TTEAM Clinic
October 18th & 19th, 2014
With Tammy Steen
Level 2 Practitioner
at Icehorse Ranch in Creighton Valley

The Tellington TTouch Equine Awareness Method for Horses (TTEAM) offers horse lovers and professionals alike a positive, gentle and effective way to solve behavioral issues, enhance performance, and improve communication and relationships between humans and horses. This method has been used worldwide and is recommended by countless veterinarians, trainers, rescue societies, and Olympians, as well as thousands of animal owners.

Tammy Steen specializes in family friendly pleasure horses. She has worked with many breeds of horses and a variety of riders of all levels. Tammy is a breeder, rider, instructor and trainer who is fun and easy going with much to offer. She raises and trains Icelandic horses in Slocan, BC. You will find Tammy produces an easy, light and willing mount. She can help riders and horses reach their full potential using methods that are easy to learn and apply. Come and check it out! Clinic will

consist of TTOUCH Body Work, TTEAM Ground Work and some riding utilizing Connected and Centered Riding techniques.

Introductory Price: \$200. Bring your horse or ride one of ours.
